Dear New Patient,

Thank you for your interest in your mental health and welcome to my practice. In order to make your visits with me as productive as possible I am attaching a copy of my office policies.

Please be aware that I am a “*non-participating provider*” for all health insurances except for Medicare. My financial policy is to receive payment at the time of service. Personal checks or cash are accepted. We will be happy to submit claims to your insurance company for reimbursement directly to you. As a courtesy to my patients, I have created an essential questionnaire to help you speak with your insurance company. The “Maximizing Your Out-Of-Network Benefits” form is available upon request.

I do, however, participate with Medicare; co-payments are due at the time of visit and an insurance claim will be submitted.

If there are other physicians or therapists involved in your care and coordination of services is requested for these individuals, please complete a “Consent For Release Of Information” form and fax it back to my office at 973-579-1920.

If I have not seen you in four months, you must come in for an appointment before I can renew any medications or change any dosages.

In case of a psychiatric emergency, please call Newton Memorial Hospital’s Center for Mental Health at 973-383-0973.

I look forward to helping you to empower yourself in restoring your health maximizing your potential and improving your overall well-being.

Sincerely,

Deborah Drumm APN, BC
